COMMUNICATION

Examiner James Vannucci contacted our office this morning indicating that he had not received a response to the Office Action dated December 22, 2004. In reviewing the subject file, we determined that a response ("Response A") was filed on March 22, 2005 via Express Mail, and a Return Receipt Postcard from the Patent Office indicating receipt thereof on that date was received. I am attaching copies of the subject response and the date stamped postcard for entry into the file for application serial number 10/600,141.

Thank you for your prompt assistance in this matter. If you have any questions, please contact us.

Respectfully submitted,
